And her new book,

REWIRE YOUR SELF TO OVERCOME HABITS AND ADDICTIONS

- **personalized addiction treatment programs • sliding fee scale options •**
- **doctorangela@aol.com • angelabrowne-miller.com • based in corte madera, california •**

new ways of seeing your own and others' addictions

presented by the author of the new book

REWIRING YOUR SELF TO OVERCOME HABITS AND ADDICTIONS

and set editor of the new four volume collection

INTERNATIONAL COLLECTION ON ADDICTIONS

author, Dr. Angela Browne-Miller

See the truth about addiction now!

A life-changing PERSPECTIVE and program you will never forget. No addiction is too minor or too major, too good or too bad, to bring in. A new way of seeing addiction, a book, a treatment approach, and a workshop for all those looking for new paths to, and understandings of, behavior change. Addiction Stoppers is open to adults over 18. Email for dates and appointments: DoctorAngela@aol.com.

Dr. Angela Browne-Miller

As seen on and in media including Oprah, Talk of the Nation, US News & World Report, Family Circle and more, Dr. Angela Browne-Miller, also known as Doctor Angela® is in private clinical practice in Corte Madera, California. She is the Founder of Addiction Stoppers™ seminars and programs, and also of the Metaxis® Institute based in northern California; has been keynote speaker at conferences around the world on addiction, violence, trauma, and behavior change; is Set Editor, INTERNATIONAL COLLECTION ON ADDICTIONS; is author of numerous books, including *Rewiring Your Brain to Break Habits and Addictions*, and *To Have and to Hurt: Seeing, Changing or Escaping Patterns of Abuse in Relationships*, and *Raising Thinking Children and Teens: Guiding Mental and Moral Development*. She earned two doctorates and two master's degrees at UC Berkeley, where she lectured in three departments for 14 years. She has served as a National Institute of Mental Health Postdoctoral Fellow, a U.S. Department of Public Health Fellow, Research Education & Treatment Director Cokenders Alcohol & Drug Program; advisor to addiction treatment programs in the United States and several other countries; project director on several California Department of Health violence prevention projects. Contact us for services and seminars at: DoctorAngela.com. Thank you. IT IS NEVER TOO LATE TO BEGIN !
